About Dr. Vivek Modi

Dr. Vivek Modi is a renowned professional speaker and educator who empowers individuals and organizations to elevate their performance, leadership, and overall well-being. With over 15 years of experience and a unique blend of medical expertise and corporate leadership, he brings deep insights into personal transformation, professional excellence, and holistic wellness.

A qualified medical doctor (MBBS) with a Post Graduate Diploma in Hospital Administration (PGDHA), Dr. Modi began his career as a C.O.O. and Administrator in reputed corporate settings. This experience shaped his understanding of the challenges professionals face in balancing performance with well-being.

Perspective not just knowledge

Certified with Dale Carnegie training, Dr. Modi believes that knowing isn't enough—it's the ability to act on what we know that drives real change. His sessions focus on **perspective shifts, habit design, and emotional clarity**, helping professionals move from intention to implementation.
